

CIPHEX West announces 2016 New Product Competition winners – Trade show celebrates industry innovation and interaction –

Vancouver (November 2, 2016) – CIPHEX West, the largest event for the HVAC, plumbing, hydronics and water treatment industry in Western Canada, announced its New Product Competition winners, which featured 58 new products, which will be on display at the show.

To be a finalist, each product must have demonstrated innovation in terms of utilization for function, while offering a variety of benefits to the industry members who sell, install or specific the products and, ultimately, to the end-user.

New Product Competition winners, decided through a jury of industry experts, are:

- **Sunrise Tradex Corp., The Mini: Movable Split Air Conditioner**, Air Conditioning and Refrigeration
- **Viessmann Manufacturing Co. Inc, Vitosol FM**, Alternative Energy (
- **tekmar Control Systems (A Watts Brand), WiFi Snow Melting Control,,** Controls and Instrumentation
- **NTI (NY Thermal), Combi Furnace (DHW/Forced Air)**, Heating and Ventilation
- **Smith's Environmental (Hyline Sales), Silent Fin - Heating Edge 3 Perimeter Heating**, Heating
- **Canplas Industries Ltd., Adjustable Angle Bath Waste and Overflow,,** Kitchen and Bath
- **Oatey Canada SCS Co., Clean Seal 2**, Plumbing and Piping

The two-day trade show, running today and Thursday, is expected to attract 3,000 visitors, including contractors, wholesalers, engineers, designers, builders, developers, property managers, home inspectors, government and municipal representatives. The event delivers a hands-on interactive experience that brings together industry leaders to indulge in 30,000 sq. ft. of exhibitors and business insight.

- Access to the [CIPHEX 2016 mobile app](#), sharing detailed event information
- Engaging [Seminars and Workshops](#)
- Insightful [speakers](#)
- Potential for partnership opportunities
- Meeting technical experts who provide sound solutions

The next CIPHEX West show will take place in 2018 in Calgary.

CIPHEX West is produced for the industry by the Canadian Institute of Plumbing & Heating, with support from the Canadian Water Quality Association, the Mechanical Contractors Association of Canada, the Mechanical Contractors Association of BC, the Canadian Hydronics Council, the American Society of Plumbing Engineers and the Thermal Environmental Comfort Association.

About CIPH

[The Canadian Institute of Plumbing & Heating](#) (CIPH), founded in Montreal in 1933, is a not-for-profit trade association that is committed to providing members with the tools for success in today's competitive environment. More than 260 companies are members of this influential Canadian industry association. They are the manufacturers, wholesaler distributors, master distributors, manufacturers' agents, and allied companies who manufacture and distribute plumbing, hydronic heating, industrial, waterworks, and other mechanical products. CIPH wholesalers operate more than 700 warehouses and showrooms across Canada. Total industry sales exceed \$6 billion annually.
