Western Canada's biggest trade show for Plumbing, Hydronics, Heating, Ventilation, Air Conditioning, Refrigeration and Water Treatment.

The one-stop, must-attend event for industry professionals looking for new products and technologies.

CIPHEX West and BUILDEX Calgary to co-locate again in 2018

[CIPHEX West](#) returns to Calgary in November of 2018, with innovative ideas, fresh opportunities and ideal networking channels. More than 65% of exhibit space is already sold in Western Canada's biggest trade show for plumbing, hydronics, heating, ventilation, air conditioning, refrigeration and water treatment.

Produced by the Canadian Institute of Plumbing & Heating (CIPH), the CIPHEX West trade shows is a one-stop, must-attend event for contractors, wholesalers, engineers, building managers and other industry professionals looking for new products and technologies. More than 200 exhibitors from Canada, the United States and around the world will be in Calgary for the two-day 30,000 square foot industry showcase.

- **BUILDEX Calgary** – attracts professionals involved in design, build or management of buildings. The two exhibit halls will be connected so that visitors from BUILDEX Calgary can also attend CIPHEX West (and vice versa) giving exhibitors access to two audiences with one booth.
- **Virtual Expo** – more than 120 CIPHEX West eBooths are already open in the virtual edition of the trade show. Visit the [Virtual CIPHEX West](#) – click on any booth (or exhibitor name from the exhibitor list) to “enter” their eBooth.
