

Aqua Flo High Efficiency Reverse Osmosis (H.E.R.O.)

Canature WaterGroup (448)

The H.E.R.O. wastes virtually no water, offering a 99.9% recovery rate by collecting purified water in the storage tank and recycling the rinse water back for use throughout the house rather than sending it to the drain. The H.E.R.O. also provides up to 99% Total Dissolved Solids (TDS) rejection.
