## CIPHEX West announces 2018 New Product Competition winners – Trade show celebrates industry innovation and interaction –

**Calgary (November 7, 2018)** – CIPHEX West, the largest event for the HVAC, plumbing, hydronics and water treatment industry in Western Canada, announced its New Product Competition winners, which featured 60 new products, which are on display at the show.

To be a finalist, each product must have demonstrated innovation in terms of utilization for function, while offering a variety of benefits to the industry members who sell, install or specify the products and, ultimately, to the end-user.

New Product Competition winners, decided through a jury of industry experts, are:

- **ESP Series Variable Speed Heat Pump, Hi-Velocity, Energy Saving Products Ltd.**, Air Conditioning and Refrigeration Category
- **Smart System, HeatLink Group Inc.**, Controls and Instrumentation Category
- **Grundfos MLE, Grundfos**, Heating and Ventilation Category
- **Argosy Buffer Tank, Flexcon Industries**, Hydronic Heating Category
- **Pfister Deckard 2-Hole Roman Tub Filler, Spectrum Brands**, Kitchen and Bath Category
- **Hot-LinkPlus-E, Taco Comfort Solutions**, Plumbing and Piping Category
- **Dry Steam Coil & Surface Cleaner, SpeedClean**, Tools and Equipment
- **Aqua Flo High Efficiency Reverse Osmosis (H.E.R.O.), Canature WaterGroup**, Water Treatment

The two-day trade show, running today and Thursday, is expected to attract 3,000 visitors, including contractors, wholesalers, engineers, designers, builders, developers, property managers, home inspectors, government and municipal representatives. The event delivers a hands-on interactive experience that brings together industry leaders to indulge in 30,000 sq. ft. of exhibitors and business insight.
