**K-4310 FXP Drum Machine**

**Category: Plumbing and Piping**

The RIDGID™ – 4310 FXP™ Drum Machine is RIDGID's most powerful drum machine, delivering best-in-class performance. Powered by the FXP Technology Platform, this battery-powered tool provides cordless freedom and powerful performance. Cable counter gives real-time feedback measuring cable distance in 3" to 10" lines on residential and commercial jobs making this a valuable addition to your truck.
