**RSH-50 VRMDC KIT ( SKU 96424)**

**Category: Air Conditioning, Refrigeration**

Meet the ultimate single phase unit protection device on the market. The RSH-50 VRMSC KIT comes in a weatherproof Nema 3R box, combines a voltage range monitor, disconnect, and the industry leading, RSH-50 surge protector. The gas discharge tube technology in our RSH-50 surge protector allows us to withstand 15 x 10,000 amp hits.
